

ANNUAL CONFERENCE 2009 – HEALTH

ACTION PLAN – DENTISTS

1. MAKE SURE EVERYONE HAS A DENTIST

- anyone can go to the community dentistry service; they have a branch in Dorchester for the west and in Canford Heath for the east).
- ask people in their PCP Reviews if they have a dentist and if they have been for a check-up. Social workers to follow up.
- allow extra financial weighting for dentists who look after people with a learning disability who need longer treatment sessions.

2. MAKE SURE EVERYONE HAS A REGULAR CHECK-UP

- bring in a screening programme like the Annual Health Checks with doctors

3. USE THE NEW HEALTH ACTION PLANS

- to record appointments
- to help get consistency
- who is going to be responsible for filling them in?
