

ANNUAL CONFERENCE 2009 – HEALTH

ACTION PLAN – DOCTORS

1. LONGER APPOINTMENTS
2. TALK TO THE PERSON AND NOT THE CARER
3. TRAINING IN LEARNING DISABILITY FOR PRIMARY CARE STAFF
 - and social services non specialist staff
 - promotion of Health Action Packs

4. INTRODUCE “HEALTH CHECKERS
 - people with a learning disability who can check GP premises etc.)

5. EASY READ LEAFLETS

6. CONTINUE GP ANNUAL HEALTH CHECKS

- these are important and it is not clear where the long term funding for them will come from.
