

Targets for Sub-Groups and Working Areas of the Learning Disability Partnership Board
Revised Version December 2009
Summary Sheet

What	Who's in Charge	Target
Making it happen (Joint Commissioning)	Paul St Quintin	Have a good plan for making sure Valuing People Now happens in Dorset
Housing	Paul St Quintin	Help more people move into their own homes
Safeguarding	Marianne Turton	To make sure more people know about the abuse of adults, how to report it and have it investigated well.
Moving People out of Hospital	Chris Watson	To move everyone out of hospital living by the end of December 2010
Fulfilling Lives	Jacky Walters	To help people to do the things they want to do
Transitions	Sally Hunt	To work with young people from age 14 upwards to support them into adult life
Health	Tim Rose/Frances Stevens/Jane Brennan	To work hard to ensure that people with a learning disability will be able to get the health services they need
Employment	Les Wales/Emma Williams	To help more people into work
Family Carers	Rachel Mason	To make sure family carers are heard and are supported to have their own lives and be healthy
Personalisation	David Vitty	To give everyone who needs our help a Personal Budget. This is money that they can spend to buy the care they need.
Complex Needs	Paul St Quintin	To make sure people with complex needs are included in all we do
